Declaration of support for the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

The Institute of Aviation, represented by Professor Witold Wiśniowski, Ph.D. Eng – Director of the Institute, welcomes and fully supports the initiative of the European Commission concerning the recommendations of The European Charter of Researchers and The Code of Conduct for the Recruitment of Researchers (hereinafter referred as The Charter and Code).

By endorsing the Charter and the Code, Institute of Aviation recognizes the value of their principles and voluntarily declares its commitment to apply them.

Institute of Aviation strongly believes that implementation of the guidelines contained in the Charter and Code will enhance the quality of research and innovation by facilitation of the international collaboration, contribute to the increase of the number of scientists in the EU countries and their mobility and strengthen the prestige and attractiveness of the profession of researcher.

Institute of Aviation will undertake all necessary measures to encourage its research units to make a stronger commitment to the implementation of the principles of good practice presented in the Charter and Code.
