Declaration of Commitment to the Principles of the European Commission's Recommendation "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers"

The International Iberian Nanotechnology Laboratory (INL), as an intergovernmental organisation created to foster interdisciplinary research in nanotechnology and nanoscience, expresses its support and commitment to the principles laid out in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers. Most of these principles are already reflected in the INL Staff Rules.
