Declaration of commitment of the Medical University of Gdańsk to “The European Charter for Researchers” and “ The Code of Conduct for the Recruitment of Researchers”

The Medical University of Gdańsk, represented by the Rector, Prof. Dr. Janusz Moryś, hereby expresses interest in The European Charter for Researchers (hereinafter called the Charter) and The Code of Conduct for the Recruitment of Researchers (hereinafter called the Code).

It has to be noted that a number of principles of both the Charter and the Code have already been implemented and are common practice at the Medical University of Gdańsk.

The Medical University of Gdańsk commits itself to follow the principles proposed in the Charter and the Code and confirms its intention to reinforce efforts to support the work of researchers and to enhance the attractiveness of the research career in the European Research Area.

The Medical University of Gdańsk is on the way to finalize the required internal analysis and the corresponding documents on HR strategy and action plan. They will be sent for the required evaluation within one of the indicated terms.

Yours sincerely,

R E C T O R

Prof. Janusz Moryś, M.D., Ph.D.
