

**DECLARATION OF COMMITMENT TO THE PRINCIPLES OF THE EUROPEAN
COMMISSION'S RECOMMENDATION 2005/251/EC**

The Institute of Health Carlos III (ISCIII) undersigns the Commission Recommendation 2005/251/EC on the European "Charter for researchers" and the "Code of Conduct for the Recruitment of Researchers" and expresses its full adhesion to this recommendation.

A majority of guidelines contained in This Recommendation have for a long time been the bases for the Research system in the ISCIII. In accordance to its internal policy and the state legislation, the ISCIII will continue to act to guarantee the improvement of the Research Career by favouring the recruitment of researchers with equity as well as promoting research mobility, encouraging dissemination and exploitation of research results, and developing positive and transparent rules for evaluation and promotion of researchers.

By adhering to this Recommendation, ISCIII wishes to create an adequate framework for researchers and to contribute to enhance the prestige and attractiveness of the Research Career in the European Research Area
