Subject: Endorsement of the European Commission's Recommendation
"The European Charter for Researchers and the Code of Conduct
for the Recruitment of Researchers"

We are pleased to inform you that in the Board meeting of 4 March 2011, the Governing Board of the International Hellenic University unanimously decided to support the general principles laid out in the Commission's Recommendation regarding the "European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers" (hereafter referred to as the Charter & Code).

Several of the principles of the Charter & Code are already implemented at the International Hellenic University, while others are presently being developed or will be addressed in the near future.

By signing the principles of the above Recommendation, the Governing Board expresses its intention to engage in this transnational effort to improve the conditions for Researchers throughout Europe, promote elements that make research an attractive career, and work to enhance quality of research and innovation by facilitation of international collaboration and transnational, interdisciplinary mobility of researchers.

Professor Costas Th. Grammenos
Chairman of the Governing Board
