# 1 EURAXESS in India

## 1.1 Our way to send you information has changed

As of January 2016, you will not have to go through the lengthy monthly newsletter anymore. EURAXESS Links India community members will receive a shorter newsletter every three months, with more tailored content.

All the information previously contained in the newsletter will now be online on our website, which will be fully revamped. When the new EURAXESS portal will be deployed later this year, you will have access to new user-friendly and useful functionalities!

As of January 2016, important or urgent information will be disseminated through Flashnotes.

As we know that it is appreciated, at least until the new website is running, we will continue publishing a compilation of open calls to fund researchers's mobility and cooperation with European teams on a regular basis. The link to access the list will be sent by email as it was and will be the case with the Newsletter.

To receive EURAXESS Links India flashnotes, contact us at [india@euraxess.net](mailto:india@euraxess.net)
